Once in a lifetime, there is born a horse so special you know you can never part with him, that horse for Jenni and Paul Ogden of Eagleridge Arabian Farm is Afrikah ERA.

Afrikah was born in January 2000 and was the result of a long awaited mating between Sanadik el Shaklan and their exotic Straight Egyptian mare Arabian Park Egyptian Echo.

Arabian Park Egyptian Echo, is by the exotic Farazdac son Arabian Prk Faraz and from one of the most beautiful Straight Egyptian mares to be imported to Australia, Rafter G Charisma.

Jenni & Paul specifically purchased Echo to breed to Sanadik el Shaklan, believing this would be a match made in heaven. Their faith proved to be well founded, as it was evident that Afrikah was special from the day he was born. He was a stunningly beautiful foal, it was hard to imagine that he could possibly become any more beautiful, yet he keeps improving as each year passes by.

Afrikah embodies all the qualities that one would expect from such an illustrious pedigree, and now as a mature stallion he represents the absolute epitome of type, and has become highly sort after by breeders from all over the world.

Afrikah is now retired to the breeding barn and fulfilling the duties he was bred for, his children are already following in his footsteps. He is proving to be a pre-potent sire, passing on his wonderful type,
